| What's in the box? | |
|--|--|
|  | 2 Longer Carriage Bolts 1 Shorter Carriage Bolt |
|  | 3 Hex Nuts |
|  | 1 Wrench |
|  | 1 Base |
|  | 1 Frame |
|  | 1 Polycarbonate Panel |

Be sure to remove the protective film from both sides of the panel.

Fasten the 2 longer bolts through the upright member. Then lining up the holes on the gusset, fasten the shorter bolt through to keep the unit rigid. See above:
